

Explain: Children who are ill are not allowed in school. Children who become ill at school will be sent home.

b. Admission of handicapped children: Yes No

Explain: We will accept children if we believe we can meet their needs.

15. Medication administered by the facility: Yes No

Explain: All medications must be in its original container. Written instructions and permission forms signed by parent/guardian must be on file.

16. Describe plan in case of natural disaster: If warning is issued while school is in session, our teachers will remain with the students until picked up by parents. If a warning is issued before school begins, school will be closed. Parents will be notified via local media and our online emergency alert system.

b. Describe plan in case of fire: The fire drill will ring. Students will be escorted by the ELC staff to a designated area on the perimeter of the school grounds. Fire drills are practiced monthly. (see attached)

c. Are plans practiced at regular intervals? Yes no

17. Policy and procedures for provision and management of diapers and other infants/toddler supplies (if applicable): Not applicable

18. Policy on disclosure of information on child or parents or guardians: Disclosure is given only to parents/guardians unless written permission is received from parents/guardians.
